

Woman's Friend

Nearly all women suffer at times from female ailments. Some women suffer more acutely and more constantly than others. But whether you have little pain or whether you suffer intensely, you should take Wine of Cardui and get relief.

Cardui is a safe, natural medicine, for women, prepared scientifically from harmless vegetable ingredients. It acts easily on the female organs and gives strength and tone to the whole system.

TAKE CARDUI

The Woman's Tonic

Mrs. Verna Wallace, of Sanger, Tex., tried Cardui. She writes: "Cardui has done more for me than I can describe. Last spring I was taken with female inflammation and consulted a doctor, but to no avail, so I took Cardui, and inside of three days, I was able to do my housework. Since then my trouble has never returned." Try it.

A Reader Cures His Constipation—Try It Free

Simple way for any family to retain the good health of all its members.

The editors of "Health Hints" and "Questions and Answers" have one question that is put to them more often than any other, and which strangely enough, they find the most difficult to answer. That is "How can I cure my constipation?"

Dr. Caldwell, an eminent specialist in diseases of the stomach, liver and bowels, has looked the whole field over, has practiced the specialty for forty years and is convinced that the ingredients contained in what is called Dr. Caldwell's Syrup Pepsin has the best claim to attention from constipated people.

Its success in the cure of stubborn constipation has done much to displace the use of salts, waters, strong

cathartics and such things. Syrup Pepsin, by training the stomach and bowel muscles to again do their work naturally, and with its tonic ingredients strengthening the nerves, brings about a lasting cure. Among its strongest supporters are Mr. John Graveline of 98 Milwaukee Ave., Detroit, Mich., and Mr. J. A. Vernon of Oklahoma City. Thousands of others of both sexes have written to Dr. Caldwell telling of gratifying results it can be obtained of any druggist at fifty cents and one dollar a bottle, or if you want to try it first a free sample bottle can be obtained by writing the doctor.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.
